Dear Sirs,

Classen (S)

Steamer "PENETANG"

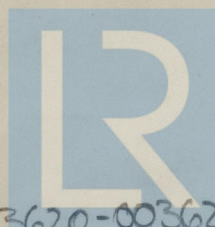

AM/CB

With reference to your Report No. 12757, and my classing letter of the 10th instant, I think it will to point out that as the last date of survey was the 12th December, 1958, the record to be assigned in respect of the Boiler Survey is "MBS 12.58" not "MBS 2.59" as recommended in the report and in the Montreal endorsement.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

The Surveyors,  
MONTREAL.
