

"PARKWOOD" - Hpl. Rpt.No. 19813

Before this case receives consideration  
IT IS SUBMITTED the Surveyors be requested to  
furnish the thicknesses of deck plating as  
ascertained by drilling and as required for a  
Survey (D), also to confirm that the cement in way  
of bottom plating has been found adhering  
satisfactorily and that it was not necessary to drill  
same.
