Dear Sir,

M/T " RIZA KAPTAN"

We have to acknowledge receipt of your Telegram concerning the Above Ship.

As seen from our previous correspondence regarding this ship the Owner is having difficulty in obtaining a sufficient amount of foreign currency to effect Special Survey in Italy, on the grounds that the Turkish Government will allow Turkish Owners to buy Second hand tonnage of not more than 15 years old for Cargo ships and 8 years old for Tankers.

The Government feel that they are not Justified in granting the foreign exchange for the repair of this ship, having due regard to her age and present Market value.

The Owner has now submitted to the Turkish authorities his wish to sell the ship locally for scrap and purchase a further one or two Tankers.

The final outcome of these discussions is awaited by this office and upon receipt of a definite decision we will inform you by cable.

Meantime the ship is laid up at Istanbul

For the Surveyors
Yours Faithfully

The Secretary
London
