QUESTION

Date:— 13th April, 1962.

Further to my memorandum of the 21st February, it is concluded that the Main Boiler Survey due at the end of December last will be held at the time of the Special Survey, but please confirm that this is so.

Please refer to our telephonic conversation of today with Mr. J. Turnbull concerning the extension of Class up to the end of May next.

The Owners confirm that the Vessel at the end of May will be scrapped.
