

...The Newcastle Surveyors might be advised that it

"AVI SMERE"

Mr. Hodgson has telephoned the Newcastle Office regarding this vessel, and in the absence of Mr. Edgar spoke to Mr. Stevens. He arranged for Mr. Edgar to ring this Office about 4 o'clock this afternoon.

Mr. Stevens stated that Mr. Taylor, the Owners' Consulting Engineer, had been in the Newcastle Office this morning and stated that arrangements had been made for drydocking the vessel in March.
