Dear Sir,

With reference to your letter of the 12th instant respecting the motor vessel "MACOMA", Report No.13698, I beg to confirm that the size of the power driven lubricating oil pumps are the same as for the sister ship "ROTULA".

I beg to state that each air receivers is fitted with a safety valve, the internal surfaces of these receivers can be examined and cleaned (manholes) and the drain is fitted at the lowest part of each receiver.

I am sorry that these items were omitted on my report.

I am, Dear Sir,

Yours faithfully,
