Dear Sirs,

I acknowledge receipt of your letter of the 10th instant and in compliance with your request have "ELENE" This ship is at present bound for Gdynia but the Committee have agreed to the completion of the Special Survey, which was commenced at Rotterdam in November, 1956, being postponed until her arrival at a U.K. Port after discharge of cargo in Poland

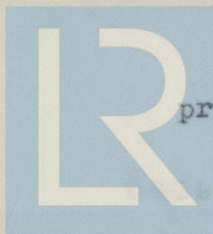

The last Load Line Certificate issued by this Society expired on the 31st December and the Owners accordingly desire an extension to make a light ship passage from the Polish discharging Port to the River Blackwater where the Special Survey will be dealt with. I shall, therefore, be glad if you will arrange to hold a freeboard survey and if satisfied issue an LL.S.T. valid only for the proposed voyage.

Yours faithfully,

Messrs. The
