22nd November, 1957.

Dear Sirs,

m.s. "ELENE"

The remarks contained in your letter of the 20th instant have been read to the Committee today, and in reply they have instructed me to point out that this ship is now well outside of her year of grace which expired last April, and owing to the Suez Canal emergency they agreed to a General Examination to enable the vessel to continue trading until the end of 1957.

On reconsideration of the whole case they see no reason to depart from their previous decision, and I therefore regret to inform you that they are unwilling to agree to your request in this instance.

Yours faithfully,
