"ELENE".

REPORT

Ams.

No. 21690.

by 10.57.

DBS due 5.57, partly held 7.57, not advanced.

C.S. Advanced.

The starboard forward generator armature now replaced and repaired, and the generator tested under working conditions and satisfactory. To be deleted from the SRL.

IT IS SUBMITTED that this vessel is eligible to remain in class, subject to the cement round sea valve chest being removed and dealt with as necessary at the Special Survey, without other special condition.
