

# Lloyd's Register of Shipping,

Ramsden Square,

Barrow-in-Furness, 30th June, 1936.

## Reference

Dear Mr. Coote,

I herewith enclose the electrical report for "STRATHAIRD" together with two books of diagrams of lighting and power circuits, which have been made up by the builders.

The number of visits is in order, and the fee must have been included in the propelling machinery account.

I Haven't put in any date for the writing of the report.

With kind regards,

Yours sincerely,

*McMillan*
