Reference

Dear Mr. Coote,

I duly received your letter of the 12th inst., having reference to the Electric Light Report on the "Strathaird".

On looking through the Reports Copy Book I certainly can find no trace of one having been copied and assume that one has not been forwarded. I shall, therefore, arrange to have one made out and forwarded as soon as possible.

With kind regards,

Yours sincerely,

F. D. Coote, Esq.,

London.
