The Secretary  
LONDON.

Dear Sir,

With reference to your memorandum of the 13th December addressed to the Toronto Surveyors in regard to the Steamer "RINCON HILLS" I have to advise you that Mr. Archer of Messrs. Shell Canadian Tankers Limited called at this Office on Friday last when the question of the Special Survey was discussed with Mr. Riddell. The Owners are at present undecided about the future use of this vessel and expect to have all pertinent information available for a decision to be made towards the end of March or early in April.

In these circumstances they have requested postponement of any action in regard to the class of this ship until that time and this proposal is submitted for favourable consideration.

Yours very truly,

Secretary to the  
Canadian Committee
