The Secretary,

Lloyd's Register of Shipping,

Dear Sir,

With reference to your query regarding the M.S.
"PERNA" First Entry Report and ~~in~~ the classing letter
dated 3rd instant we now forward report forms 8 & 9
for the fire damage on this vessel.

As it was understood that report forms 8 & 9 were
for use when reporting classed vessels only, and this vessel
was only partly constructed at the time the damage occurred
it was considered the case should be treated as for an
unclassed vessel which had never before been classed.

I am, Dear Sir,

Yours faithfully,

S. S. Sanderson
