Nature of Survey _____

When due _____

The 2nd S.S. No.1, due 4,32, has been partly held by the examination of the vessel on a pontoon.

A proposal to complete the survey in July was agreed to.

In reply to enquiry the Aberdeen Surveyors now forward a letter from the Owners intimating that they desire the vessel to be withdrawn from class as they cannot afford to put her through survey in the meantime.

The year of grace expired 4,33.

The case is submitted for the consideration of the Committee.
