PORT OF

July 11th. 1914.

Enclosure.

Gentlemen,

I beg to inform you that the Steamer "NORDIC",
(Messrs. J.L. Thompson & Sons S.S. No. 504) has left for your
port and that to complete the survey on the machinery the
following requires to be done :-

...tions fitted to holds and tunnel; W.T. door and sluice
valve rod ... fit at tunnel, spare gear to examine, covers fitted
to fidley gratings and engines and donkey pump examined under
steam.

The approved plan of the pumping arrangements is returned
herewith.

Electric light is to be installed in this vessel but nothing
was done towards the fitting of same while the vessel was here.

I am, Gentlemen,

Yours faithfully,

W. Morrison

The Surveyors,

S U N D E R L A N D.
