16th April, 1934.

Dear Sirs,

S.
With reference to your First Entry Report No.15050 on the new steam trawler "BRIMNES", I think it well to acquaint you that the portion of the new Register Book in which this vessel is recorded will be due for press on Tuesday 24th instant.

It may be as well to draw the attention of the Builders to this fact in order to expedite payment of the fees, as it will doubtless be desired that the vessel shall appear in the reprint as a fully classed ship.

I am, Dear Sirs,

Yours faithfully,

Assistant Secretary

Surveyors,

MIDDLESBROUGH.
