Reference

E.

Dear Sir,

In reply to your letter of the 19th. instant referring to West Hartlepool Report No.17316 on the Boiler No.228 made by Messrs. Richardsons Westgarth & Co.Ltd., Hartlepool for Messrs. Smith's Dock Co.,Ltd., I have to inform you that the tensile strength of the combustion chamber girders is 28 to 32 tons per square inch, as indicated on the plan, and not 26 to 30 tons as inadvertently stated on my report.

It is regretted that this error occurred when writing the report.

I am, Dear Sir,

Yours faithfully,

L. Brooke Smith

The Secretary,
LONDON.
