Dear Sirs,

B. With reference to your First Entry Report No.17656 on the steamer "FELLDENE", I may say that the portion of the new Register Book in which this vessel is recorded will be due for press on Tuesday, May 18th. As it will doubtless be desired that full particulars of classification should appear when the new book is published, I shall be glad if you will endeavour to obtain payment of the outstanding fees by that date, and notification of payment should be made without delay.

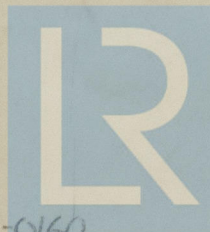

I am, Dear Sirs,

Yours faithfully,

Assistant Secretary.

The Surveyors,

WEST HARTLEPOOL.
