LONDON, E.C.3.

12th May, 1964.

Dear Sir,

m.v. "BRITISH GENERAL"

We would refer to the vessel's Loadline Certificate which expires at the end of this month.

The vessel is due at Swansea about 16th May to load a cargo for Scandinavian ports, completing at Norrkoping, Sweden, about the 30th May.

We should be pleased therefore if you would agree to a Survey being held at Swansea on the 16th May with a view to extending the Loadline Certificate until 7th June 1964, to enable the vessel to return to the United Kingdom for drydocking.

Yours faithfully,  
BP TANKER COMPANY LIMITED.
