Dear Sir,

## Classing Letter - 3630 "MONTERREY"

In reply to your letter of the 14th instant relating to the above we have to advise that only the new M.E. cylinder liners were presented for survey and their marks noted, the remaining components of Nos. 2, 3 and 5 M.E. cylinders were not examined at the Owners request as the work was done whilst the Vessel was at anchor in the Bay.

Yours faithfully,

pp. The Surveyors.

The Secretary,
