Dear Sirs,

M.S. "MONTERREY"

I acknowledge receipt of your memorandum of the 29th September, the contents of which have been noted.

It will be in order for a Modified Special Survey to be carried out and the ship should be opened up and examined in accordance with the requirements for Special Survey (C) with drilling of shell and deck plating. The repairs may be limited to those considered necessary for the period of postponement desired.

The Continuous Survey cycle of the machinery should be completed in addition to the Auxiliary Boiler Survey.

Yours faithfully,

Deputy Clerk to the  
Classification Committee

The Surveyors,  
MADRID.
