Dear Sirs,

Steamer "PATAUDI"

I acknowledge receipt of your letter of the 16th instant from which it is noted that it is your intention to sell this ship for scrap.

In view of the circumstances, your proposal to steam the vessel to Sunderland is in order provided an opportunity is afforded the Society's Surveyors to examine the boiler under steam and adjust the safety valves. Please communicate with the Society's local Surveyors and let them know when the boiler will be available for inspection.

Yours faithfully,

pra' clerk to the  
Classification Committee.
