LLOYDS REGISTER OF SHIPPING,

GREENOCK, 10th April, 1939.

Dear Sir,

Owing to a discrepancy now found in the figures obtained from the Builders, I regret the overall length, and length of forecastle given on the first entry reports of Messrs. Wm. Hamilton & Co., Ltd., Nos. 428, 430 and 432 are incorrect and should be as follows:-

<u>Yard No.</u>	<u>Name.</u>	<u>No. in R. B.</u>	<u>O. L.</u>	<u>Forecastle.</u>
428	"MALANCHIA"	78901	493.6 ft.	53.5 ft.
430	"MALCHARDA"	78781	493.6 ft.	53.5 ft.
432	"MALABAR"	89055	494.9 ft.	53.5 ft.

I shall be glad if the particulars could be amended on the first entry reports, and in the Register Book at the first opportunity.

I am, Dear Sir,

Yours faithfully,

The Secretary,

LONDON.
