

Lloyd's Register of Shipping.

Letter enclosed.

95, Bothwell Street, Glasgow, C.2.

5th April, 1938.

Dear Sir,

With reference to Greenock First Entry Report No. 20544, which is being forwarded to-day on the Steamer "MACHARDA", I beg to enclose herewith a letter received from Mr. Edgar, the Principal Surveyor at Greenock, in regard to a notation of "Cargo battens not fitted in deep tank" which he suggests should be made in this case.

As this is the first of the kind which has come under my notice, I shall be glad to be informed whether the record proposed by Mr. Edgar is correct.

I am, Dear Sir,

Yours faithfully,

P. L. Warlow

Secretary to the
Glasgow Committee.

The Secretary,

LONDON.
