VESSEL'S NAME

Single Sc. M.V. "SAINT EUNAN" Report

No. 59120

Dear Sir,

S.

With reference to Glasgow Report No. 59120 on machinery for the motorship "SAINT EUNAN", I have to say that it is concluded that a spare power driven lubricating oil pump is fitted: also that the small auxiliary engine can be started by hand for first charging the air receivers but I shall be glad if you will ascertain from the Surveyors and let me know whether this is so.

I am, Dear Sir,

Yours faithfully,

Clerk to the Classification Committee.

The Secretary,

GLASGOW.
