Dear Sir:

In connection with my report 9 No.16278 and in respect of the removal of the rivets from the Boilers of the above vessel I beg to state that it is regretted that the following item was not included in my report.

"After removal of the rivets from the butt straps the areas around the rivet holes were examined with a magnetic crack detector and no indications of any cracking was found"

I shall be glad if you will kindly add this item to my report.

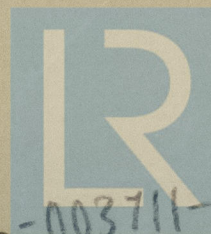

I am, Dear Sir,

Yours faithfully,

S. Hill

The Secretary,
