Lloyd's Register of Shipping.

Port CALCUTTA

11th November 1954

This is to Certify that I have

examined the Boiler and Machinery of the "JALAMOHAN" 5969 tons gross of  
the vessel whilst afloat and in drydock at Calcutta for Docking,  
and Repairs,

and that I have transmitted to the Committee of Lloyd's  
Register of Shipping, London, a Report stating that all  
recommendations made by me in connection therewith have  
been carried out to my satisfaction, and that I have  
recommended that the record of B.S. 11-54

made in the Register Book in the case of this vessel,  
with respect to the boilers being examined internally and externally in  
the case of the butt strap and circumferential seam rivetting at three  
monthly intervals.

Engineer Surveyor to Lloyd's Register.

This certificate is issued upon the terms of the Rules and Regulations of the Society, which provide  
that the Committees of the Society use their best endeavours to ensure that the functions of the  
Society are properly executed, it is to be understood that neither the Society nor any Member of any of its  
Committees is to be held responsible for any inaccuracy in any report  
made by the Society or its Surveyors, or in any entry in the Register Book or other publica-  
tion issued by the Society, or for any error of judgment, default or negligence of any of its Committees or  
Officers, or the Surveyors, or other Officers or Agents of the Society."
