nts

eed Postponement of completion of Special Survey until 11.62
approved 8.1.62 (GE Alexandria 12.61).

It is stated that the ship is at present laid up at
Porsgrunn. The Owners are interested in chartering this
vessel to the Norsk Hydro for 6 to 8 months from early
August as a fertiliser store. Further postponement of the
Special Survey until the end of March next (4 months after
the expiration of the year of grace) is desired to allow
the acceptance of this charter. The ship is 32 years old.

If favourably considered it is submitted that the principal part
of the S.S. should be held by 11.62.
