Enclosure

5th August, 1955.

Dear Sirs,

I would confirm my cablegram this afternoon regarding the "LETIZIA MONTANARI" as per copy enclosed, and would state that at the time of the damage survey held at Cardiff in May last the Surveyors stated the Owner had cancelled his request that certain parts might be passed for Special Survey after it had been decided to convert the vessel for general cargo on her arrival in Italy.

Accordingly the internal examination of the fore and after peaks was not at that time regarded as part of the Special Survey.

Yours faithfully,

Clerk to the  
Classification Committee

The Surveyors,  
GENOA.
