Dear Sirs,

Steamer "LIVERPOOL"

"Overdue SS 12.57 Incomplete"

The case of this ship has been reviewed by the Committee, and as a second four-yearly Special Survey period will elapse at the end of the present month, it is felt that in the absence of any proposal for completing the Special Survey they would not be justified in continuing the class.

They have, therefore, given instructions for a record to be made in the Register Book indicating that the class has been withdrawn, and I shall be glad if you will inform the Owners accordingly.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

The Surveyors,  
GENOA.
