Dear Sirs,

SHIP

T.S.S. "LIVERPOOL"

I am in receipt of your letter of the 2nd instant pointing out that the oil fuel bunkers forward and aft of the cargo tanks are not separated from the same by means of cofferdams.

While thanking you for drawing attention to this matter, I may say there are a few cases where the oil fuel bunkers are not separated from the cargo tanks by means of cofferdams, and in this particular case no objection need be taken to the existing arrangements.

Yours faithfully,

pro Secretary.

The Surveyors,
GENOA
