3rd March, 1966.

Dear Sirs,

"SEGAMAT".

I would refer to your memoranda dated the 4th January and 19th February, and would point out that in your reply dated the 13th August last, you stated it was proposed to lay this ship up, and I shall be glad if you will confirm that in fact the ship is now laid up.

You will observe that the period of grace in respect of the Annual Loadline Survey due on the 31st May, 1965, expired at the end of August, and that another survey becomes due on the 31st May next.

Yours faithfully,

pro Secretary.

The Surveyors,  
SINGAPORE.
