

COPY.

Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

Enclosures.

23rd June, 1936.

Dear Sirs,

I return herewith two copies of each of the plans forwarded with your letter of the 17th instant, in connexion with the proposal to lengthen the steam trawler "FYLDRA" by 8'-2" on the load water line by fitting a new fore end and a cruiser stern, and with regard thereto I have to inform you that provided the scantlings and arrangements be carried out as shewn and amended and to your satisfaction, they will be approved.

On account of the alteration to the equipment grade due to the increased length, an additional 15 fathoms of 1.2/16" stud chain cable should be supplied.

The original approved plans are also returned herewith.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,
MIDDLESEX OUGH.
