Auxiliary Boiler Survey due 12.60.
(Special Survey due 9.61).

Dear Sirs,

s.s. "NAVICELLA"

With reference to my letter of the 12th
April, it is noted that the vessel is still
laid up in the River Blackwater.

In these circumstances the Committee are
agreeable to the class remaining undisturbed
in the meantime, provided that the outstanding
surveys are dealt with before the ship again
proceeds to sea.

I take this opportunity to remind you that
the Special Survey will become due at the end
of September next.

Yours faithfully,

c.c Rot., Lon. &
Ipswich

Deputy Clerk to the
Classification Committee.
