The Secretary,
WOKINGHAM.

Dear Sir,

m.v. "NAVICELLA".
Newcastle Rpt. No. 102524.

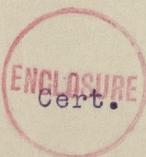

We beg to return herewith the Classification Certificate received from you recently, the Builders having drawn our attention to the registered particulars of length and breadth, which, according to this vessel's official register are 465.0 ft. and 59.2 ft. varying slightly from those of the previous sister vessel.

We should be glad if the Certificate might be amended and returned to us in due course, also if you would be good enough to arrange for our First Entry Report to be amended in respect of these particulars, the errors in which are regretted.

We are, Dear Sir,
Yours faithfully,
THE SURVEYORS,
