Dear Sirs,

m.s. "WEATHER OBSERVER"

It is understood by phone that the D. Lines
Shipping Company do not know where the ship is now.

With reference to your letter of the 17th October last addressed to our Office at Glasgow, it is concluded this ship is still laid up, but I will be glad if you will confirm that this is so. It will also be appreciated if you will let me know precisely where she is at the present time.

Yours faithfully,

Clerk to the
Classification Committee.
