Dear Sirs,

With reference to your First Entry report  
S. No. 11320 on the Electric Fittings of the Motor Vessel  
"POELAU LAUT", I have to point out that according to the  
Society's Rules the fee for the survey of the Electrical  
Installation for Total Capacity of Generators 720 Kilowatts  
should be £49. 10. 0. As you appear to have charged only  
£35. 10. 0. I shall be glad to have your remarks on the  
subject and if an error has been made you should render  
an amended account accordingly.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,  
AMSTERDAM.
