QUESTION

ANSWER

As it is noted that this vessel has not been seen in drydock since March 1960, I shall be glad to learn what arrangements are proposed to be made for such an inspection to be carried out.

Date:— 24th January, 1962.

This vessel has been laid up since the 25th November last, and at the present time there is no intention of putting the vessel to sea in the near future. Should the Owners, however, decide to do so they will dock beforehand.
