

"CATALA"

The machinery of this vessel was built in 1925 and classed MBS +

The class was withdrawn 20.2.53., and the Owners desire re-classification and IT IS SUBMITTED they be informed, through the Montreal Surveyors, that for this to be done it will be necessary for:-

a complete Special Survey of the machinery and boilers, including steam pipes,

the screwshaft to be drawn for examination,

fire extinguishing arrangements to be in accordance with Chapter 'F' of the Rules,

Any alterations that may have been made since the vessel was dis-classed, which may affect the class, should be submitted for consideration.

Note

Previous to the vessel being dis-classed the class was subject to the starboard screwshaft in way of propeller cone being specially examined (Ver. Rpt. 8817)
