LLOYD'S REGISTER OF SHIPPING

VALPARAISO

4th November 1957.

Ref:A/Cs.

s.s. "LILIAN"

Dear Sir,

I have your letter of the 30th utl. tegarding the above and note your remarks.

It is more disturbing for me this affair as I knew perfectly well that such a thing must happen, yet, I could not change (?charge) the owner outright with my knowledge, nor could I refuse to continue with the survey.

I am right on top of this business and have already filed our claim as requested by law.

That she will be sold is also doubtful as, the vessel is totally uneconomic and her history in Chile well known.

At worst, I may perhaps approach the brother of the owner, a shipowner in the USA to clear off this small debt.

Be assured I will get the best bargain possible for L.R.

Yours faithfully,

(sgd.) J. DOBBIE

The Secretary,
London.
