QUESTION

With reference to my classing letter of the 1st August last, I shall be glad to learn what arrangements have now been made for the Special Survey to be held by the end of August when the year of grace will expire.

I take this opportunity to point out that the Auxiliary Boiler Survey will become due at the end of the present month.

ANSWER

Date:— 22nd June 1962

The Superintendent states that it has been decided to sell this vessel for breaking up when she returns to Antwerp about the 25th July next. He requested that in the circumstances the Committee will allow him to dispense with all surveys meantime.
