

GULF TANKERS

Société Anonyme

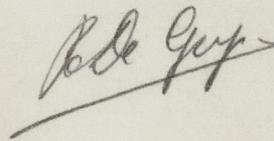

53, 55, FRANKRIJKLEI

ANTWERP-BELGIUM

M/T "Belgian Pride"
At sea, 24 th. June 1961

This is to certify that the safety valves of
the exhaust gas boiler were on this date and in my presence
adjusted under steam and set to blow at 12 Kg/Cm²
Nuts on compression screws have been well tightened.
