MIDDLESBROUGH

406, 423, 431, 433, 445, 446 - As recommended.

"ARALUEN" Having regard to the contents of your letter dated 5th December, I have to inform you that the class has now been made subject to the deflections in the bottom shell plating being kept under observation at successive drydockings. The Owners have been informed.

"NORTHWOOD" Reverting to my letter dated 4th September last, I have to inform you that the report of the General Examination held while the ship was in drydock at South Shields in November is now been received. In view of the satisfactory nature of this report the Committee have approved postponement of the special Survey until 22,59, and I shall be glad if you will inform the Owners accordingly.
