DARTMOUTH

7691 "BARI TONE" Assigned a class of "100A1 For Government Service" together with the notations recommended by you. It is concluded the overall length over horns is 176.1 feet as in the case of the sister ships but I shall be glad to learn whether this is so. With regard to the fees to be charged in this instance, it will be quite in order to follow the procedure suggested in your letter of the 25th September last.
