Dear Sirs,

S.S. "JALAKETU"

C.  
DHGK/DBT

Reverting to my letter of the 1st February last, the report of the survey held at Calcutta has now received the consideration of the Committee, and a notation of Modified Special Survey 2.63 valid for twelve months has now been assigned.

So far as the machinery is concerned it was recommended that the centre dynamo engine governor should be repaired by the end of last month, and I shall be glad to receive your confirmation that this matter has received attention.

Yours faithfully, © 2020

Deputy Clerk to the  
Classification Committee
