Dear Sirs,

s.s. "JALAKETU"

With reference to your letter of the 20th ult., concerning special survey of the above vessel, we would mention that our Principals at Bombay have approached your Office at that Port for permission to postpone this special survey for one year.

They indicate this is due to the present cargo programme being such that they may not be able to lay up the vessel for this special survey during next month.

Our Principals have indicated that they intend to offer the vessel for general examination both afloat and in dry-dock to your surveyors at Calcutta during next month.

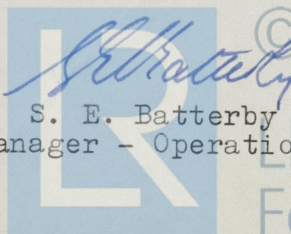

In the light of this information, we shall be pleased to hear from you in due course of your agreement for this special survey to be deferred.

Yours faithfully,  
for SCINDIA STEAMSHIPS (LONDON) LTD.
