Dear Sirs,

I acknowledge your letter of today's date concerning the Surveys required on the vessels of your Fleet, which have been laid up, and as requested I have cabled the necessary instructions to Curacao and Singapore, and I am writing to Falmouth and Rotterdam this afternoon.

With regard to the Motorship "MARPESSA", provided the Rotterdam Surveyors are satisfied, as a result of their inspection in drydock last May, further drydocking will not be required now, on the understanding that the remaining recommendations contained in my letter to you on the 7th instant receive satisfactory attention.

Yours faithfully,

Deputy Clerk to  
the Classification Committee.
