Dear Sir,

Steamer "MUSHTARI"

I acknowledge your letter of the 30th January and forward herewith for transmission to the Owners a letter which has been addressed to them on the subject of this vessel's equipment.

Provided you are in agreement with the statement that there are no facilities at Karachi, there will be no objection to the Owners exhibiting this letter to the Government Department. Alternatively the figure "1" will be deleted from the class, but it will still be necessary for you to furnish as soon as possible the present minimum mean diameter of each length of chain cable on board, and to confirm that from your examination the chain cable is all in good condition.

Yours faithfully,

Clerk to the  
Classification Committee.

J.R.P. Conolly, Esq.,  
KARACHI.
