QUESTION

ANSWER

With reference to letter of the 22nd March I have to inform you when this ship was in port at Singapore in June/last, no action was taken regarding the equipment and, in the circumstances, I shall endeavour to learn what definite arrangements are proposed to be made for the 195 fathoms chain cable on board to be replaced in accordance with requirements.

You will observe that the screwshaft Survey will be due at the end of the month.

Handwritten signature/initials

Date:— 23rd August, 1957

The Owners advise that the chain cable on board will be tested at the time of the screwshaft survey which they propose to carry out in January 1958.
