Telephone: Central 8891 (5 Lines)

CEP/EHC.

Dear Sir,

I have not passed on to Messrs. T. & J. Brocklebank your letter of the 15th March to them about their steamer "MAHOUT" as I had previously heard that she would shortly be broken up.

I have confirmed this morning that she is, in fact, now in the Bolckow Yard at Middlesbrough and dismantling is about to take place.

Yours faithfully,

WRECK
